STITCH GUIDE

Bobble Stitch

Step 1: *Yo, k1, repeat from * three times in the same st (you should have 5 sts were you initially had one); turn work so wrong side is facing you.

Step 2: Knit the 5 bobble sts; turn work so right side is facing you.

Step 3: Knit the first two bobble sts together; place this st back onto the left needle.

Step 4: Pass the remaining three sts, one at a time, over the knit-together st and off the needle, as if to bind off.

Step 5: Knit the remaining bobble st.

NOTES

If you wish to modify the pattern, be sure to cast on a multiple of 5 sts to adjust circumference. If you wish to adjust the length, continue in pattern of adding two rows of knit sts between bobble rows and alternate where you start make the bobble (k2, mb, k2 then k4, mb).

THE PATTERN

Cast on 100 sts using the long-tail method. Place a marker and join for working in the round, careful not to twist sts.
